

Congratulations to Rashford and Curie Class who performed their class assemblies this week, explaining why their class was named after their inspirational person. The children have been involved in extensive research and it was wonderful to hear them share their facts and key knowledge with their year group and the parents who came to watch. A big thank you to everyone who has contributed towards the money raised for Children in Need this week – what a range of toys we saw on offer yesterday and it was great fun to see everyone arriving at school in their pajamas this morning! Have a lovely weekend everyone 😊

School Closes for XMAS

Snow

We are already hearing about predictions for snow so we thought we would let you know about our procedures this year!

If snow has fallen over night and the school needs to be closed, you will receive a text message and this will also be posted on Facebook. Work for the day will be e-mailed to you for the children to complete at home.

If we will have a delayed start time to allow people to travel in, we will let you know via text and Facebook and registers will be extended for the morning session.

If snow falls during the day, we may ask you to collect early via text and Facebook. Children should be collected from classrooms and your child`s class teacher will sign them out. On these occasions, our after-school club services will be cancelled.

Sponsored Run

We are amazed and extremely proud that as a school we ran 636 miles last week. Thanks to the community`s generous donations we have managed to raise **£3074.60**.

With our upcoming Movie night funds we are delighted to say we will be able to book the transport for Chester Zoo.

Children in Need

With our second toy stall and donations for pyjamas day we have managed to raise **£264.65** for Children in Need.

Keep your eyes on our social media pages for pictures of our wonderful children enjoying their day.

Armistice Assembly

Our assembly at Newsome Academy on 11th November was a wonderful and touching occasion.

Our children represented our school beautifully showing respect for all those who served in the armed forces and for those who lost their lives. Have a look at our photographs on Facebook and X – the poppies the children made looked really effective and the “Last Post” played by Mr. Hardy from the High School was fantastic.

Absence

Please can Parents/Carers ensure they telephone/email each day that your child is not present in school.

Please telephone before 8.30am if you child will absent from school and select option 1. Alternatively, please email attendance@newsomejuniors.co.uk and include name, class and reason for absence.

Thank you

Our new school menus have been designed to provide a balanced and nutritional lunch choice for your child. We always endeavour to use seasonal and local produce wherever possible. If you require any further information on Allergens or the menu please contact Sheryl on 01484 538345.
